

UPTON WARREN SAILING CLUB

DINGHY PARK

Renewal time for dinghy parking space is approaching again. Spaces in the boat park are limited and generally oversubscribed. In the past there have been problems maintaining a system that is fair to all parties that use the lake (some boats which never sailed, some probably abandoned, some members with more than one boat, whilst other regular sailors do not have a space). In order to ensure a fair allocation and to give all members who want to, the best opportunity to store their primary boat in the park, the following procedure will be followed:

- 1. Complete the "Dinghy Park Application Form". This is for your primary boat.**
- 2. Return the form to the Membership Secretary with a cheque for £20.00, payable to Upton Warren Sailing Club by 1st MARCH.**
- 3. Indicate on the form if you require a second place. DO NOT include payment for this second place at this stage.**

If, after 1st March, there are still spaces remaining, the request for second places will be allocated in the order in which the primary applications were received.

If at 1st March the dinghy park is over-subscribed those with existing spaces will retain them for a primary boat, whilst losing any second or subsequent spaces.

Every effort will be made to re-issue the current space where it has been identified on the form (changes in class ratios may dictate shuffling boats along a row).

This system appears to be the fairest option available and eliminates some of the problems from previous seasons and will, we hope, avoid disappointing new members. If you find problems throughout the season please communicate through your Committee so that we can continue to improve the procedure.
